Tournament Seeding: The tournament will consist of 2 pool play games from which seeding will be determined for Championship play on Sunday.

- If the Elimination round cannot be played or cannot be completed, the highest remaining seed (determined by pool play) will be the Age division champion.

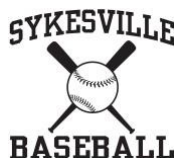

Game Length: 6 innings for 11, 13U, 15/16U

- Pool Play - No new inning after 1:45 and a hard stop at 2:00 hours. An inning is considered complete when the final out is recorded. Ties are permitted in Poolplay.
 - Hard Stop Clarification:** The following rules apply to the hard stop:
 - Games are considered official if the hard stop limit is reached, regardless of the rules for the minimum number of innings.
 - In pool play, if the hard stop is reached with the away team in the lead and before completion of an inning, the score will revert to that of the completion of the last full inning played.
- Elimination Play – No new inning after 1:45. After the time limit is reached, international rules will be used to decide tie games. The last player to have batted in the lineup in the previous inning will be placed on 2nd Base.

Rosters: No roster limits on players. All teams are required to carry with them a copy of their official roster, a copy of each player's birth certificate, and a copy of their insurance. In the event of a player's age challenge, play will halt and the manager of that player must present proof of age to the umpire. A player's age is determined by MABA rules for the 2024 spring season. If a player is found to be ineligible the player will be removed from the tournament and the team would forfeit all games that the ineligible player played in. In the event of an age challenge, the tournament director will be notified immediately.

Lineups: Free defensive substitutions. Teams may substitute defensive players freely (with the exception of the pitcher) as long as the batting order remains the same. Players pinch hitting are married in the batting lineup for the remainder of the game.

Teams may bat 9 or 10 (with EH) batters or teams may bat the entire roster. In this case if a player is unable to bat for any reason other than injury sustained during the game, an out is declared for that player each time he is unable to take his turn at bat. Each team must announce their options when exchanging line ups with the other team and at the pregame conference with the umpire.

Home/Visitor: Determined by coin flip in pool play. In elimination/consolation games, higher seeds will be home team.

Dugouts: Dugouts are first come first served.

Start of Game: All teams are expected to be at the fields ready to play **30 minutes** before game time. Please be prepared to start games early if the field and umpire are ready to play.
